Aaron T. Olejniczak

Cir. June 24, 2014). Obtained summary judgment of trademark infringement and over \$500,000 in damages in June 2013 for client Door Peninsula Winery (DPW); affirmed on appeal in June 2014. In 2016, obtained an additional judgment of over \$100,000 against Defendants for violation of the permanent injunction.

- *S.C. Johnson & Son, Inc. v. NUTRACEUTICAL CORPORATION, et al.*, No. 11-cv-861 (E.D. Wis.). Served as local counsel for Nutraceutical throughout this trademark infringement case before Hon. Rudolph T. Randa in the Eastern District of Wisconsin.

- *ENCAP, LLC v. Oldcastle Retail, Inc., et al.*, No. 11-cv-808 (E.D. Wis.), Appellate Case No. 12-1488 (Fed. Cir.), and *Inter Partes* Reexamination Nos. 95/001,963, 95/001,964, and 95/001,965. Served as co-lead counsel for Encap in district court patent and trademark infringement case before Hon. William C. Griesbach involving fertilizer and seeding technologies. Successfully argued at the Markman and preliminary injunction hearings.

- *NATIONAL PASTEURIZED EGGS, INC., et al. v. Michael Foods, Inc., et al.*, Nos. 10-cv-646 and 11-cv-534 (W.D. Wis.). Served as co-lead counsel for National Pasteurized Eggs ("NPE") in patent case before Hon. William M. Conley involving pasteurized in-shell eggs where a jury found NPE's patents valid and infringed and found defendants' patents-in-suit invalid, awarding approximately \$6 million in damages to NPE.

- *DOUGLAS DYNAMICS, LLC v. Buyers Products Company*, No. 09-cv-261 (W.D. Wis.), Appellate Case No. 11-1291 (Fed. Cir.). Served as lead counsel in all phases of this patent infringement case involving snow-plow technology, including the district court case before Hon. William M. Conley and the subsequent appeal. On summary judgment, it was found that defendant infringed two of client Douglas Dynamics' patents-in-suit. A jury found the patents valid, and awarded over \$1 million in damages to Douglas. Douglas subsequently filed an appeal with the Federal Circuit regarding part of the summary judgment finding non-infringement on a third patent and denial of an injunction against defendant for the first two patents. The Federal Circuit issued an order in favor of Douglas on May 21, 2013, directing the District Court to "enter summary judgment of infringement in favor of Douglas" and reversing the district court's denial of a permanent injunction. The matter was remanded to the District Court, and a jury awarded Douglas nearly \$10 million in damages for infringement in May 2014. The parties subsequently appealed separate issues with the Federal Circuit. Upon briefing and oral arguments, the Federal Circuit issued a judgment
