Peter T. Holsen is a partner and registered patent attorney at Andrus Intellectual Property Law.

Peter counsels domestic and international clients of all sizes regarding patent, trademark and copyright law. On a part-time basis, he has served as in-house counsel for a Fortune 500® company, working closely with general counsel and engineering management to formulate competitive intellectual property strategies and build a strategic patent portfolio that protects the client's core technology.

Peter has extensive experience preparing and prosecuting patent and trademark applications and drafting technology agreements. He also routinely provides clients with patentability analyses and opinions regarding patent and trademark infringement and validity.

As a registered patent attorney, Peter has worked with a wide variety of mechanical and electro-mechanical technologies, including engines and related control systems, fluid systems, medical imaging systems, oil and gas extraction and production technologies, robotic milking apparatus, food processing equipment, medical patient monitoring and treatment technologies, water and wastewater recovery and treatment devices, materials handling equipment, and mechanical tools.

In 2014, Peter was one of a select group of U.S. attorneys named to the BTI Client Service All-Stars list, which recognizes innovative attorneys that leverage market changes to stand out with corporate counsel and deliver superior client service. Peter was selected for inclusion in the *2014 IAM Patent 1000* as a top patent practitioner in Wisconsin and was selected for

Peter T. Holsen

inclusion in Thomson Reuters' Super Lawyers - Rising Stars Edition in 2008, 2009, 2010 and 2013.

Peter is a participant in and has been a contributing author for the International Association for the Protection of Intellectual Property (AIPPI), an international organization dedicated to the development and improvement of intellectual property. He is also a member of the American Bar Association and its section of Intellectual Property Law, the American Intellectual Property Law Association, the Wisconsin Intellectual Property Law Association, and the Milwaukee Bar Association.

Peter received a bachelor of science degree in civil engineering from Marquette University in 1996 and a juris doctor degree from Marquette University Law School in 2002. While attending law school, Peter was Editor-in-Chief of the *Marquette University Law School Intellectual Property Law Review*, for which he also authored the article "ICANN'T Do It Alone: The Internet Corporation for Assigned Names and Numbers and Content-Based Problems on the Internet." Peter was an Evans Scholar at Marquette University, where he served on the Chapter Board. Prior to law school, Peter served as an engineer at a multi-national engineering and consulting firm where he designed and managed several large-scale engineering projects at electrical, petrochemical and chemical facilities.

Peter is admitted to practice law before the Supreme Court of Wisconsin, the U.S. District Courts for the Eastern and Western Districts of Wisconsin, and the U.S. Court of Appeals for the Federal Circuit. He is also licensed to practice before the U.S. Patent and Trademark Office.
